

Research Your Regulations Activity

For this activity you need to research the requirements around Confined Space Work from **your** states Health and Safety regulators website.

To complete the activity:

1. Identify & review the relevant section(s) and requirements of the Health and Safety **Act** that apply to Confined Spaces in your region (you do not need to print the whole Act)
2. Identify & review the relevant section(s) and requirements of the Health and Safety **Regulations** that apply to Confined Spaces in your region (you do not need to print the whole Regulation)
3. Find and review the relevant Health and Safety **Code of Practice** that applies to Confined Spaces in your region (**Print and bring this with you**)
4. Identify the relevant Australian/New Zealand Standard that applies to Confined Spaces. (If you have a copy bring it with you, you DO NOT need to purchase it if you don't already have it).
